Walk with us, anytime, anywhere – June 3rd-5th, 2022

DEAR FRIENDS,

4/18/2022

Thanks to the inspiring support from our community, Early Alert Canines (EAC) is persevering despite the persistent challenges presented by the COVID-19 pandemic. We are committed to advancing our mission to improve the well-being of people with insulin-dependent diabetes through a life-saving partnership with a certified low blood sugar Diabetic Alert Dog. Now, more than ever, we are focused on providing individualized support for the unique needs of each client (most of whom are considered immunocompromised), ongoing care for all active dogs, and continued training for each team. Through our trusted reputation, we are educating the community and advocating on behalf of our client's and Service Dog's rights under the Americans with Disabilities Act.

In order to serve the growing need, EAC needs to rapidly expand by training more dogs and scale vital supplemental programs like sourcing dogs, daily volunteers, scent samples, foster homes, building improvements, and fundraising activities. Will you donate and take steps with EAC to build a strong future? Will you help improve the health, safety, and well-being of people with insulin-dependent diabetes through partnerships with certified low blood sugar alert dogs?

During the weekend of June 3-5, 2022, we will host our annual Virtual Fundraising Walk and we need your help! We rely upon the generosity of our sponsors, who provide the primary source of funding for this event and make it possible to raise funds to continue our life-saving work. We hope you will consider supporting our event and appreciate any support you can provide:

- **Become an Event Sponsor or donate directly**
- **Participate in the event - invite family, friends, and colleagues with our easy online fundraising tools**

Thank you for your help! Together, we can continue to serve those in our community who rely upon the life-saving support of a Diabetic Alert Dog!

Sincerely,

Carol Edwards
Executive Director

Matching Gift!

Make a leadership gift and
make an even bigger impact!
EAC can promote the
opportunity for donors to
double their impact!
